

INTERNATIONAL SYMPOSIUM METABOLICS.BE

MAY 8, 2015
BRUSSELS

Château de Grand-Bigard
Isidoor Van Beverenstraat, 5
B-1702 Groot-Bijgaarden (Dilbeek)

In June 2009, Metabolics.be was founded as a VZW/ASBL regrouping the Belgian centers for metabolic diseases (CEMA) and the neonatal screening laboratories.

Metabolics.be wants to promote the study, diagnosis and treatment of metabolic diseases by the organization of scientific meetings and congresses and collaborative actions between research groups, CEMA's and screening laboratories.

We invite all professionals involved in research, screening, diagnosis and treatment of metabolic diseases to become a member of our society.

The membership fees for 2015 include the yearly conference :

- for physicians and PhD's: **50€**
- for paramedical professionals and masters: **25€**

Membership fees are to be paid by bank transfer on the account of the Society:

BIC: BBRUBEBB IBAN: **BE68 3630 5561 9234**
Metabolics.be vzw/asbl
Avenue de la Couronne 20
B -1050 Brussel/Bruxelles

Registration for May 8, 2015 in Brussels :
yasmina.belhassan@huderf.be
